CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Waterfront To Be Improved By The City Of Pahokee

At a meeting of the Pahokee City Council at City Hall Monday night a movement was launched to secure a breakwater for a harbor in Pahokee. It was pointed out that for the first time in the history of Pahokee the lake is being used this summer for boating and water skiing which is an attraction for the city. James H. Wilson asked the council to start a movement to secure funds for financing the project from the Port of Palm Beach Authority. President of the Council R. E. Simonson named Mayor Lewis Friend and Wilson on a committee to investigate the possibility of securing the funds.

Council members also voted to have the city grade a 25 foot ramp to the lake permitting the launching of boats on the lake.

Plans were formulated for the establishment of a city playground and ball park for Negro children. It was reported that the school board property adjoining the Negro school is available for the park. O. B. McClure has offered the use of a tractor to run the weeds down and tractor the plot and the city will grade it. With the cooperation of citizens the plot will be grassed. A. Q. Howell, county school board member, who attended the meeting, said the school board will do all it can with the limited means at its disposal for such work.

Police Chief Leon Guthrie was authorized to secure a new control for the traffic light at the intersection of Lake Avenue and Racoon Point Road and to have new signs painted for the city police department.

Council members voted to have the insurance on city property equally divided among the three insurance companies in the city.

A new ordinance was passed defining the content of alcoholic beverages to be sold with in the city limits, which is not to exceed one percent by weight.

Communication

August 15, 1952
Mr. Howell Watkins
Co. Supt. of Pub. Inst.
West Palm Beach, Fla.
Dear Sir:

Listed below you will find a series of bills against the Canal Point school cafeteria. These bills were made during the 1951-52 school year.

I am sure you want to see the credit of our school be honored. I therefore appeal to you for help in this emergency.

The Canal Point citizens will arise as in the past to help alleviate this emergency which affects their children.

As principal of the Canal Point School, I earnestly solicit your economic help until we can form an organization to alleviate this situation.

Bills against the cafeteria are:

Alfay Milk Co. Belle Glade — \$526.81
Armour & Co. West Palm Beach — 64.23
John Sexton Co. Atlanta — 75.38
Respectfully submitted
Clyde W. Alley, Principal

550 Cattle Sold On Glades Market

There were 550 cattle sold at the Glades Live Stock Market at the weekly auction sales Monday for a return of \$61,226.90.

Slaughter steers, commercial grades, sold for \$23.75 to \$24.75; utility grade, \$19.75 to \$24; cutter, \$17.25 to \$19.75 and canner, \$12.50 to \$14.00.

Calves, commercial grades, brought \$20.50 to \$26.75 and utility grades, \$18.50 to \$22.25.

Cows, cutter grades, brought \$15.75 to \$17.25 and utility grades, \$17.25 to \$20.25. Bulls, cutter grades, sold for \$16.25 to \$21.25.

Stocker cattle, steers, sold for \$22.25 to \$26.50; common grades, \$19.75 to \$22.75; and inferior grades, \$15 to \$19.75. Heifers, common grades, brought \$17.50 to \$21.00; and cows, common, \$19.00 and inferior, \$14.50 to \$17.50.

Safety Clinic Is Scheduled In WPB

A Palm Beach County safety clinic was called by the county commission this week in an effort to bring law enforcement officials together for the purpose of trying to cut down the number of traffic accidents in the county.

The clinic was proposed by Commissioner Herbert Evans of District Three who called attention to a recent accident west of Lake Worth where nine teen agers were injured—one of them fatally.

Terming the frequency of traffic accidents in the county "a matter of great concern," Evans said he didn't believe the commission was accomplishing its purpose in driving safety.

"I don't believe we will ever do away with hot-rods," Evans said, and he urged that some action be taken to control so called hot rod drivers.

Commissioner Lake Lytal, who also favored the clinic, said there was a great need for more enforcement and prosecution of drivers in cases where violations occur outside the limits of municipalities.

"Very little has been done" Lytal said with reference to enforcement.

"It's not only the hot rods," Lytal said, "It's the general public driving."

The board set the clinic for Sept. 12 at 10 a. m. in the criminal court room and voted to invite all county law enforcement officers, county solicitor, representatives of the Florida Highway Patrol state office and the State Safety Committee. The commission urged that civic clubs also send representatives to the clinic.

Lottie Moon Circle

Mrs. L. W. Mullis presented a devotional study on "Lower Levels of Prayer," at a meeting of the Lottie Moon circle of the Baptist Woman's Missionary Union which met at the home of Mrs. J. P. Herring Monday afternoon.

During the business session members chose for their community missions project for the month of September the purchase of a toy cabinet for the church nursery. Miss Elizabeth Caraway, chairman, was in charge of the meeting.

Cattle Industry Has Unbelievable Growth In Glades

Palm Beach County is experiencing an "unbelievable growth" in the beef cattle industry according to County Agent H. L. Speer.

In his monthly report to the county commission, Speer called attention to the Glades Livestock Market which was formed a little over two years ago and has grown into a million dollar a year business.

He cited the months of June and July as examples of market activity at the sales center. During June, he said, the auction handled some 4,200 head of cattle which sold for \$475,299; in July, 3,319 cattle passed through the market bringing total of \$365,420.

Ten years ago, Speer declared, there was no beef cattle industry in the county and no income from this source.

County Agent M. U. Mounts reported that there no longer is a "resting period" during the summer months in the agriculture and cattle industries. Stepped up interest in rice, corn, vegetables and cattle keep these activities booming the year around.

Dedicate Church In Clewiston Sunday

Final arrangements for the Dedication Day, Sunday August 24, at St. Martin's Episcopal Church, Clewiston, have just been announced by Father John C. Petrie, vicar of Clewiston and Pahokee. The day begins with a celebration of the Holy Communion at 9 a. m. by the Rev. Henry I. Louttit, D. D., bishop of South Florida. At 1 p. m. there will be a dinner honoring the bishop and the confirmation candidates at the Clewiston Inn. At 2:30 p. m. the bishop will administer the Sacrament of Confirmation followed immediately by the Dedication Ceremonies. Any wishing to attend the dinner should make reservation through Leslie A. Futch, Clewiston. A good attendance from Canal Point and Pahokee is expected.

Funeral Services For Ben Rogers

Funeral services were conducted for Ben Rogers, Ft. Myers, former resident of Pahokee, at Ft. Ft. Myers Sunday. Mr. Rogers, a resident of Pahokee for 15 years, before going to Ft. Myers to make his home, died at his home there Thursday after 4 years of illness. He is survived by his wife, Mrs. Minnie Rogers; 2 sisters, Mrs. Mae Hendrix, Ft. Myers; and Mrs. Mattie Stanley of Perry; 1 brother, O. A. Rogers of Pahokee.

Those attending the funeral from Pahokee were, Mrs. Marjorie Hillier and daughter, Rose Marie, W. H. Rogers, Mr. and Mrs. Owen Rogers, and Mr. and Mrs. Luther Rogers and son T. Malcolm Rogers, Indian town and Ottis Roger and his sister Mrs. B. H. Shealle both of Monticello, Fla., who visited relatives here, also attended the funeral.

Teachers Get Ready For Coming Term

Members of the Pahokee school faculty will attend a county-wide teachers meeting at the Palm Beach High School auditorium Friday at 10 a. m. according to Clyde A. Canipe principal. Following the teachers meeting a county-wide principals meeting will be held, Canipe said.

Monday, August 18, the teachers will assemble at the local school for pre-school work which will continue until the school term opens in September.

Mr. Canipe announces the resignation of Miss Jerry Hicks, instructor of girls physical education at the local school for the past two years. According to a letter received by Canipe Miss Hicks will go to Las Vegas, Nev., to work.

Talent Show Has Many Good Acts

On the strongest bill of talent yet presented on Malcolm Millar's Talent Scout Show, The Harmony Four Quartette barber-shop-chorded their way into first place. Their "Coney Isle Babe" and "Walking My Baby Back Home," brought them thunderous applause. The Harmony Four is composed of Charles McCurdy, Bobby Schroder, Chandler McIlwain and Millard Stanley.

Miss Joyce Holder, a soprano nearly stopped the show with her first offering "Because," and returned for an encore with "Walk Alone." Miss Holder possesses a charming personality.

A sister act billed as "Sappy and Joc" brought laughter and applause with their "Hillbilly" offering.

Lois Jones, a slender miss of 13 presented the best tap dancing act that has been seen here in some time.

Three guest stars from Belle Glade were presented. The first was Neil Livingston, a young lad who had a difficult time keeping his pants from falling to the floor. He gave an impression of Phil Harris.

Sarah Williams, a comely miss with a lot of musical knowledge on the harmonica went over in a big way with two numbers.

One of the sensations of the evening was Benny Pruitt, fifteen-year-old piano marvel who brought the house down with two numbers.

Simonson Circle

The Mabel Simonson circle of the Methodist Women's Society of Christian Service will meet at the home of Mrs. W. A. Howell Monday at 3:30 p. m. Mrs. Frank Friend, chairman, will preside and Mrs. C. M. Todd will present the program.

DR. LAIR IMPROVING

Dr. W. H. Lair is slowly improving at his home in Pahokee after being returned there from the Pahokee Hospital. Dr. Lair is 82 years old and is showing remarkable strength in his battle to regain his health.

A budget of \$1,106,215 for the fiscal year ending June 30, 1953 has been worked out by the State Livestock Sanitary Board.

Bridge Right-Way Nearer As Court Takes Action

Certification of right of way for four bridge projects in the Everglades by the middle of the month, which will clear the decks for construction of the spans, was reported Monday to the county commission.

The four projects include bridges at Canal Point, Six Mile Bend, South Bay and Lake Harbor. An early start on construction of these bridges has been directed by Commissioner Paul Rardin who this week thanked the other members of the board and county officials who have been making a concentrated effort in recent weeks to work out details of the four construction projects.

"We in the Everglades deeply appreciate it," Rardin told the commission.

County Attorney Harry Johnston reported that the original right-of-way suit for Six Mile bend had been dropped and that right of way for the re-location of the bridge was expected in about 30 days. He said that it appeared that right of way settlements for the relocation could be made without a condemnation suit.

Johnston reported that an order of taking had been given by the courts for right of way at Canal Point and that the county would post a deposit of \$21,200—the appraised value of the land—until final settlement is made.

Right of way for the South Bay and Lake Harbor spans has been available for some time. Construction on any of the bridges has been delayed due to a ruling by the State Road Department that none of the work would be done until the way was clear for letting all four of the projects at the same time.

Other road projects before the board this week included a report from the State Road Department that immediate action would be taken to repair a section of State Road 80 west of Loxahatchee which becomes dangerous for driving when wet.

The commission also heard a report that resurfacing of a piece of road in Lake Worth would be up for bid this month and that in September the extension of State Road 7 would be included in SRD projects.

Other actions by the board this week included:

Granting two weeks military leave to Frank Saker, custodian of the county voting machines.

Four Killed In July

Four persons were killed in accidents in Palm Beach County during the month of July and 42 were injured. There were 351 accidents and 104 arrests. Highway Patrolmen in this county issued 184 written warnings for improper driving during the month and 284 warnings for faulty equipment.

There were 17 safety education talks given during the month in the county and one stolen vehicle was recovered. There were 820 examinations for drivers license given with 579 passing, 232 failing and 9 incomplete.

The report was released by Cpl. E. D. Dugger.

Miracle Day Will See 116 Acre Tract Cleared, Planted

WAUCHULA — Thousands of spectators from all parts of Florida are expected to gather at Zolfo Springs on September 16 for a Miracle Day Program.

A 112-acre tract of land, which was formerly a county park, is now under a long-time lease by the Wauchula Chapter of the Future Farmers of America and will be the site of this modern day miracle.

A committee of local civic and agricultural leaders has been formed to direct the program. Equipment and fertilizer dealers are furnishing the most modern equipment and materials for use on the project, which will convert

112 acres of heavy palmetto and swamp land into a well improved farm in a 1-day program.

A Complete Soil and Water Conservation Plan was prepared by Soil Conservation Service technicians and will be used as a guide for Miracle Day Program. Soils will be used according to their capabilities and treated according to their needs.

The land will be cleared, prepared, seeded and fertilized in the one day program. A massive movement of men and machines will start at sun up and will continue until the job is completed.

The Miracle Day is scheduled to take place the day before the State Meeting of Soil Conservation District Supervisors at Sebring and will provide them with a pre-convention treat.

When completed, the farm will furnish the agricultural students of the Hardee County High School with training in the field in the most modern methods, a project well worth the time and effort necessary to put on the one-day program.

Escapes Death As Car Goes Into Canal

Robert (Scotty) Burr of Belle Glade narrowly escaped death Tuesday when the station wagon which he was driving became involved in an accident and plunged into the Hillsboro Canal and was completely submerged. Burr managed to climb out of the car and swim to safety.

The accident happened on State Road 80, eleven miles east of Belle Glade. Burr and Donald Kenneth Whiteside, who was driving a National Biscuit Truck were traveling west when Burr hailed a truck which was traveling east to talk with the driver. When the two trucks pulled off the shoulders of the road and stopped, Whiteside attempted to pass between them and sideswiped the station wagon knocking it into the canal.

According to J. P. Bertrand, highway patrolman who investigated the accident, there was \$300 damage to the National Biscuit Truck and \$800 to the station wagon. Whiteside escaped uninjured.

Personal

Wm. Sheffield, religious director for the First Methodist Church in Pahokee, is attending the Youth Camp in Leesburg this week.

Dr. and Mrs. R. A. Guy will leave Friday for a vacation in Key West. Dr. Guy is the pastor of the First Methodist Church in Pahokee. Wm. Sheffield, the director of religious education of the church, will fill the pulpit in his absence.

Mr. and Mrs. C. R. Wroten have gone to Lake Charles, La., where they will visit their son and daughter-in-law, Cpl. and Mrs. Lee Wroten and son. Before returning to their home in Pahokee they will visit relatives in Alabama and Georgia.

Mr. and Mrs. Thomas Elliott and children have returned from a visit with Mr. Elliott's brother-in-law and sister, Mr. and Mrs. Cohen Blakey and family in Orlando.

Mr. and Mrs. Foster Lassiter and son were called to North Carolina this week at the death of her sister.

Mrs. W. M. DuBose returned to her home in Pahokee Tuesday from Goodwater, Ala., where she visited relatives for several weeks. She was accompanied on her return by Mrs. Susie Renfro who visited relatives in Fayette, Ala.

Mr. and Mrs. Harold E. Wetzel and son of Tuscaloosa, Ala., arrived in Pahokee Sunday to make their home. Mr. Wetzel, who was recently appointed as administrator of the Everglades Memorial Hospital, assumed his duties at the hospital Monday.

Mr. and Mrs. J. W. Parker and son, John, have returned to their home in Okeechobee City after visiting his brother-in-law and sister, Mr. and Mrs. B. Elliott in Pahokee.

Mr. and Mrs. J. T. Holden and children, Mrs. Don Hillier and son, Douglas, Miss Nancy Hillier and their house guest, Mrs. Eugene Brown, are spending several days at the Colonnades Hotel in Palm Beach Shores.

Mr. and Mrs. Richard Hurt and children, Alice Elaine and Richard accompanied by their house guests, Mr. and Mrs. Clyde Becker of Sebring, visited Mrs. Hurt's

sister, Mrs. Elena Myers in Ft. Pierce recently.

Mrs. Ruth Hatton and sons Thor and Richard have returned from Riviera Beach where they visited Mr. and Mrs. Jerry Mitchell and family.

Miss Shirley Watson and Miss Rita Faye Hurt will enter the Mather School of Nursing in New Orleans this fall.

Miss Wynell Jensen of West Palm Beach was the week end guest of her sisters, Mrs. Betty McCall and Miss Sibyl Jensen.

Mr. and Mrs. J. T. Guerry, Jr. have returned to their home in West Palm Beach after visiting his parents, Mr. and Mrs. J. T. Guerry, Sr., and family in Pahokee.

Mrs. R. W. Sanders will be hostess to members of the Miriam circle to the WSCS at her home Monday at 8 p. m. Mrs. H. C. Graham will be the co-hostess and will also present the program.

Mrs. E. J. Graham, chairman, will preside.

Mr. and Mrs. Y. A. Harris, Jr., and daughter, Cris, of Washington, D. C. accompanied by Mr. Harris' mother, Mrs. Y. A. Harris, Sr., of Gainesville, are the guests this week of his brother-in-law and sister, Mr. and Mrs. H. L. Speer.

Mr. and Mrs. Marvin Vandegrift and daughter, Rethelle, have returned from three weeks vacation in the Carolinas.

Mr. and Mrs. Bob Carter have returned to Clinton, N. C. after visiting their uncles and aunts, Mr. and Mrs. Roy Vandegrift, Sr., and Mr. and Mrs. James M. Vandegrift in Pahokee.

Mr. and Mrs. J. W. Brown and family have returned from several weeks vacation in Myrtle Beach, S. C. and Salt Springs, Fla.

Mrs. L. G. Alderman and son Tripp, have returned from a visit with her parents, Mr. and Mrs. A. O. Greynolds in Hendershville, N. C.

What's Your Telephone Worth?

WHEN MINUTES COUNT!

'JOE, MY CAR WON'T START—
CAN YOU RUN ME TO THE STATION?'

LITTLE problems would sometimes turn into real emergencies without your telephone. In business and at home, it puts you quickly in touch with the people you need.

PEOPLE everywhere are depending on the telephone more and more . . . to help them earn a living . . . serve their family needs . . . have fun and make friends. And the telephone plays a vital role in today's most important job — national defense. — Southern Bell Telephone and Telegraph Company.

GOOD MANAGEMENT—improving methods and equipment, and working facilities to the utmost—is one of the reasons why the price of telephone service has gone up less than most prices.

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

Maturity value.....	\$25.00	\$50.00	\$100.00
Issue price.....	18.75	37.50	75.00
Period after issue date	Redemption values during each year		
1 year.....	18.75	\$37.50	\$ 75.00
2 years.....	19.00	38.00	76.00
3 years.....	19.25	38.50	77.00
4 years.....	19.75	39.50	79.00
5 years.....	20.25	40.50	81.00
6 years.....	20.75	41.50	83.00
7 years.....	21.50	43.00	86.00
8 years.....	22.50	45.00	90.00
9 years.....	23.50	47.00	94.00
10 years.....	24.50	49.00	98.00
Maturity value (10 years from issue date).....	25.00	50.00	100.00

Now look how your maturing bonds go on earning under the new law!

NEW AIR GATEWAY TO WORLD

TAMPA, FLA. — International air travel in and out of Florida gets a powerful stimulus this week as Tampa's new International Airport Terminal building begins handling record-breaking volume of summer traffic. The new building, added to three magnificent 7000-foot runways and a new million-dollar loading ramp, makes Tampa International the equal of any airport in the world in ultra-modern planning and equipment. It will be formally dedicated Sunday, Aug. 17.

Airport Terminal At Tampa Will Be Dedicated Sunday

TAMPA—A new million-dollar gateway between South Florida and the world of air travel swings open this week with the completion of Tampa's ultra-modern International Airport Terminal building, now preparing for formal dedication ceremonies August 17.

It is the nation's newest air terminal, and the building, in conjunction with the airport's three magnificent 7,000-foot runways, and new loading ramp, has been pronounced by aeronautics experts the equal in modern planning and facilities of any airport in the world.

Through its portals passengers today are boarding giant planes on both national and international journeys. Besides non-stop flights to New York or Chicago, the air traveler can fly non-stop from Tampa to Toronto, Canada, or non-stop over water to Havana or New Orleans. Direct connections

to any point in the U. S. — or anywhere in the free world—are available.

The new Terminal building permits international arrivals to pass through U. S. Customs and Immigration offices in air conditioned comfort. U. S. Public Health offices are also in the building, as well as the Tampa station of the U. S. Weather Bureau, whose equipment includes radar for storm detection.

Handsome lounge rooms, a really fine restaurant, and a spacious promenade deck overlooking the flying field all add to the comfort of both travelers and spectators.

Dedication ceremonies August 17 will include a presentation of the new airport flag by Capt. Eddie Rickenbacker, president of Eastern Air Lines, and of a plaque by G. T. Baker, president of National Airlines. Music will be furnished by the MacDill Air Force Base band.

Lightner Museum of Hobbies, located in the heart of downtown St. Augustine, boasts more than 22,000 square feet of thousands of varied exhibits. It is popularly known as the "Mecca of Hobbyists."

Three special loan exhibits of the John and Mabel Ringling Museum of Art are being sent this summer and fall on a tour of this country and Europe.

State Road Board Chairman Alfred McKethan recently termed road building Florida's greatest economic problem, and advocates vigorous public support of a long-range program that will strengthen the arterial system of highways.

Plans for Florida's first laboratory to diagnose animal diseases have received support of the Florida Dairy Industry Association.

CLASSIFIED ADS PAY BIG DIVIDENDS

The Board of Control recently announced the approval of \$119,890 additional funds for research for the University of Florida, bringing the institution's total for that purpose to \$1,120,175.

Offshore oil operations along the Gulf Coast of Florida will not affect salt water fishing, according to Dr. C. P. Idyll, of the University of Miami Marine Laboratory.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on, Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Keep costs down, performance up, with a Dodge

"My Dodge trucks save a lot of money on gas!"

says H. A. ROBINSON
Contract Hauler,
Mobile, Ala.

"On a 200-mile run I save 1 1/4 to 2 gallons of gas. I get this saving seven days a week, and on my two trucks that means I save over \$300.00 a year on gas alone. That's good, because each of my trucks makes an average of 50 stops per day hauling mail."

"My first Dodge truck cost me only \$54.00 of repair expense in two years. I ran my second Dodge over 103,000 miles in two years and spent only \$15.50 on it for repairs."

"If I'd known what I know now about Dodge trucks, I'd have switched to them long ago and saved myself a lot of money."

▶ Haul at lower cost with a Dodge truck — 1/2- through 4-ton—that's "Job-Rated" to fit your job.

▶ Boost gasoline mileage with features like high-compression ratio and special gas-saving carburetor.

▶ Reduce upkeep with such wear-saving features as floating oil intake and positive-pressure lubrication.

▶ Enjoy super-smooth performance with 97yd Fluid Drive, wear-protecting advantage available on all 1/2-, 3/4-, 1-ton and Route-Van models.

▶ Come in for a demonstration—and a good deal!

Save on gas and oil. All 8 Dodge truck engines give exceptional economy with plenty of power. You get advantages like lightweight aluminum pistons, improved fuel system with economy control, precision-balanced crankshaft, and other money-saving features.

Save on maintenance. Rugged engines and chassis make Dodge trucks famous for dependability. Upkeep costs stay low because of special Dodge features like 4-ring pistons, chrome-plated top ring, and wear-resisting exhaust valve seat inserts.

Save with long life. Because Dodge trucks last so long, depreciation is less and trade-in value stays up. Long life and dependability are result of such features as alloy steel springs, shot-peened axle shafts, and extra-sturdy frames.

See us today for the best buy in low-cost transportation...

Christian Science Group Of Canal Point

Theme of Christian Science services next Sunday is that the demands of Soul, or God, cause man to turn from materiality and find joy and peace through keeping God's law. The subject of the lesson is "SOUL".

The Golden Text is from Psalms (119:174,175): "I have longed for thy salvation, O Lord; and thy law is my delight. Let my soul live, and it shall praise thee; and let thy judgments help me."

Bible passages in the Lesson include the following from Psalms (119:133): "Order my steps in thy word; and let not any iniquity have dominion over me."

Among correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the following: "The purification of sense and self is a proof of progress" (p. 324).

"In proportion to his purity is man perfect; and perfection is the order of celestial being which demonstrates Life in Christ, Life's spiritual ideal" (p. 337).

Plans Complete For Fraser Wedding

Miss Yvonne Lee Fraser, daughter of Mr. and Mrs. Lewis Julian Fraser, Pahokee and William Dendall Davenport, son of Mrs. H. O. VanBuren, Tampa, have completed plans for their wedding which will be a special event at the First Methodist Church in Pahokee August 31, at 3:30 p. m.

Miss Fraser has chosen as her matron of honor, Mrs. Franklin E. Gillis, Pahokee, and as bridesmaids, Mrs. Ralph White, Jr., Gainesville and Mrs. Wm. M. Bowen, Jacksonville. Miss Nita Fussell, Tampa, will be the bridesmaid and Nancy Thomas, Pahokee, cousin of the bride-elect, the junior bridesmaid. Marilyn Mock, Pahokee, will be the flower girl. Ernie Shultz, Clearwater, will be Mr. Davenport's best man, and ushers are, Harry Walston, Tampa, Ken F. Hine, Sarasota, and Jackie Thomas, Pahokee cousin of the bride-elect.

Mrs. Sydney K. Smith, Jr., Belle Glade, will be the organist and Dr. Rembert A. Guy, pastor of the church, will officiate at the ceremony.

Following the ceremony there will be a reception at Cypress Lodge in Port Mayaca.

Miss Fraser, a popular member of the younger set here, is a graduate of the Pahokee High School and both she and Mr. Davenport are seniors at the University of Florida in Gainesville.

Personal Items

Mr. and Mrs. Joe T. Boynton and children accompanied by Miss Phoebe Ann Ramey will leave the latter part of the week for a vacation in North Carolina.

Mr. and Mrs. R. F. Chamberlain and children have returned from a visit with his mother, Mrs. Catherine Chamberlain in Middletown, Ohio, and her parents, Mr. and Mrs. F. A. Nelson in Asheville, N. C.

Mr. and Mrs. Paul E. Gool and son Charles have returned to their home in Chicago, Ill., after visiting Mr. and Mrs. Pope Sears and family in Canal Point.

Ronald Pearson of Asheville, N. C. accompanied by a friend, Donald Cannon of Canton, N. C. will arrive in Pahokee this week to visit Mr. Pearson's mother, Mrs. R. F. Chamberlain and family. Ronald will enter college in Berea, Ky., this fall. Mr. Cannon will attend Emory-Riddle in Miami.

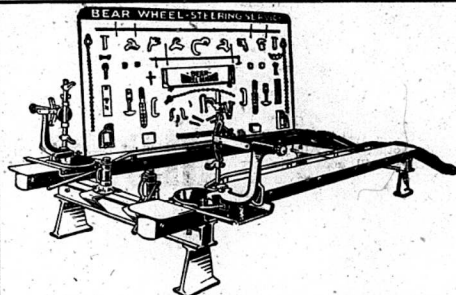

Mr. and Mrs. James H. Wilkinson, Jr., and daughter, Beverly, have returned from Toano, Va., where they spent the summer while Mr. Wilkinson was engaged in the produce business.

C. G. Payne has returned to his home from a hospital in Miami where he received medical treatment.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES M. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

PAUL RARDIN, Publisher

New York Firm Has Ideas About Road Building In State

TALLAHASSEE — Drastic revision of Florida's highway building politics and giving the State Road Department complete control of the spending of the seventh cent of gasoline tax were recommended by a New York engineering firm after a careful study of the state's road building problem.

Establishment of a state arterial system, adoption of a sufficiency rating method for programming road improvements and a complete overhauling of the planning and financing of secondary roads were also advocated.

The 1949 law earmarking the seventh cent of the gasoline tax to be spent within the various counties under a fixed distribution formula and the Road Department policy that has evolved from it is resulting in "a sprawling, unconnected, disintegrated system of improved highways which serve isolated needs," the report said.

The report indicated that Florida would benefit from establishment of a state arterial system similar to the Federal Interstate System. This would consist of the major roads in the state primary system and join the important population centers of the state.

Long-range planning is essential to effective and economical highway construction. "If an arterial system consisting of major highways within the primary system was established, that particular network, because of its greater importance, could be assigned a higher adequacy rating than other primary system roads thereby guaranteeing an automobile priority to the most heavily traveled highways," the engineer said.

Mrs. Johnnie Corbett is a patient at the Everglades Memorial Hospital this week.

Bridal Shower For Sibyl Jensen

Miss Sibyl Jensen, bride-elect of Ralph Crews, will be honored with a bridal shower at the Pahokee Woman's club this evening. A color motif of yellow and green will be carried out in the decorations, with yellow gladioli and fern being used in attractive arrangements throughout the club room.

A musical program will be presented with Mr. and Mrs. Chandler McIlwain, Miss Joyce Holder, and Miss Donna Jo Spooner, rendering vocal numbers. They will be accompanied at the piano by Mrs. Leon Burnette. Mrs. Clyde A. Canipe will be in charge of two appropriate contests during the evening.

Miss Spooner will be in charge of the guest book and Mrs. Otto R. Blech and Mrs. Edward A. Jensen will preside at the refreshment table. The honoree will be presented with a corsage of yellow tinted carnations by the hostesses.

Hostesses for the occasion are:

Mrs. Blech, Mrs. Jensen, Mrs. James Vandegriff, Mrs. Alex Johnson, Mrs. E. C. Johnson, Mrs. Robert Henderson, and the Misses Patsy Batchelor and Christine Unwin.

Jensen - Williams

Mr. and Mrs. Axel Jensen, West Palm Beach, formerly of Pahokee, announce the engagement of their daughter, Miss Wynell Jensen to A-S-C Eugene Williams, son of Mr. and Mrs. Oneal Williams of Canal Point.

Miss Jensen is a graduate of the Pahokee High School, class of 1952, and Mr. Williams attended the local high school before enlisting in the Air Force. He is now stationed in California.

The idea behind the establishment of Marine Studios was conceived by W. Douglas Burden, its president and trustee of the American Museum of Natural History in New York City.

Mr. and Mrs. Bill Shackford have returned from a visit with Mrs. Shackford's mother, Mrs. Chard in Kentucky. They were accompanied by their niece, Jeannett. On their return the Shackfords picked up their son, Richard who spent 5 weeks at summer camp in Ridgecrest, N. C.

M. CONNELL BETTER

D. T. Connell, Canal Point grocer, who suffered a stroke several months ago, is gradually recovering at his home north of Canal Point. He is able to sit up in a chair on his front porch but still isn't able to walk.

BUICK'S POWER STEERING?

It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine — most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor — a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence — its poised and level ride that cost a million dollars to develop — and the infinite smoothness of its Dynaflo Drive.

But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels — makes it a one-hand operation.

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand — or a stretch of rough road — Power Steering smoothly goes into action — helps take up the jerk — makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder — on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.
